RECITALS:

- (A) The Issuer established the Secured Cryptocurrency Linked Certificates Programme on 16 November 2021 under which it issued the Existing Bitcoin Certificates shortly thereafter on 22 November 2021 pursuant to the Original Deed.
- (B) The parties have agreed that the Conditions of the Existing Bitcoin Certificates (as defined below), as supplemented by Final Terms applicable to each issue of the Existing Bitcoin Certificates will be amended in the manner set out in this Deed as of the Effective Date (as defined below).

IT IS AGREED as follows:

1. **DEFINITIONS AND INTERPRETATION**

1.1 **Definitions**

In this Deed:

“**Effective Date**” has the meaning ascribed to it in Clause 2.

“**Existing Bitcoin Certificates**” means the Certificates linked to Bitcoin existing on the date of this Deed and which are constituted pursuant to the Original Deed.

“**Original Deed**” means the trust deed dated 17 November 2021 between the Issuer, the Trustee and the Issuer Adviser, as amended and restated from time to time.

“**Available Amount**” has the meaning ascribed to it in Clause 6.1.

1.2 **Incorporation of defined terms and principles of interpretation**

Unless otherwise defined in this Deed or the context requires otherwise, words and expressions used in this Deed shall have the meanings and constructions ascribed to

them in Clause 1 (*Definitions*) and Clause 2 (*Principles of Interpretation*) to the Original Deed as amended and restated from time to time.

1.3 **Clauses**

In this Deed any reference to a "Clause" or a "Schedule" is, unless the context otherwise requires, a reference to a Clause or a Schedule to this Deed.

2. **TERMS AND CONDITIONS OF EXISTING BITCOIN CERTIFICATES**

With effect as and from the commencement of the trading day on 22 January 2024 (the "**Effective Date**"), paragraph 6 of Part A (*Reduction Percentage*) of each set of Final Terms applicable to the Existing Bitcoin Certificates, supplementing and modifying the Conditions of the Existing Bitcoin Certificates set out in the Original Deed, shall be modified as follows:

- (a) the deletion of the wording "0.99 per cent per annum" and its replacement with "0.39 per cent per annum".

3. **CONTINUITY AND FURTHER ASSURANCE**

3.1 **Continuing obligations**

The provisions of the Original Deed and the existing certificates shall, save as amended by this Deed, continue in full force and effect. The Original Deed and this Deed shall henceforth be read and construed as one instrument.

3.2 **Further assurance**

Each party agrees that it shall (at the cost of the Issuer) do all things and execute all documents as may be necessary or desirable to give effect to the amendments contemplated by this Deed.

4. **MISCELLANEOUS**

4.1 **Partial Invalidity**

The invalidity, illegality or unenforceability of a provision of this Deed does not affect or impair the continuation in force of the remainder of this Deed.

4.2 **Counterparts**

This Deed may be executed in any number of counterparts, and this has the same effect as if the signatures on the counterparts were on a single copy of this Deed.

4.3 **Electronic Signatures**

Each party agrees that this Deed may be signed by any party by electronic signature (whatever form the electronic signature takes) and that this method of signature is as conclusive of that party's intention to be bound by this Deed as if signed by the party's manuscript signature.

4.4 **Fees and expenses**

The Issuer shall, on demand of the Trustee, reimburse the Trustee for all properly incurred costs and expenses (including legal fees) incurred by it in connection with the negotiation, preparation and execution or purported execution of this Deed.

5. **GOVERNING LAW & JURISDICTION**

This Deed and any non-contractual obligations arising out of or in connection with it are governed by English law. The courts of England and Wales have exclusive jurisdiction to settle any Dispute. The provisions Clause 45 (*Jurisdiction*) of the Original Deed shall apply mutatis mutandis to this Deed.

6. **LIMITED RECOURSE AND NON-PETITION**

6.1 **Limited Recourse**

Each of the parties acknowledges and agrees that notwithstanding any other provision of the Transaction Documents or the Conditions, all amounts due from the Issuer to the Secured Creditors in relation to any given Series under the Transaction Documents or the Conditions in relation to such Series and the other Secured Obligations shall be equal to the lesser of the principal amount of such obligations and the actual amount received or recovered by or for the account of the Issuer in respect of the Secured Property applicable to such Series net of any sums which the Issuer certifies to the Trustee that it is or may be obliged by law to pay to any person in priority to the Certificateholders or other Secured Creditors in accordance with Condition 5 (*Security and Payment Priorities*). Accordingly, all payments to be made by the Issuer under the Transaction Documents or the Conditions in respect of any Secured Obligations for any given Series may only be satisfied by recourse to the sums received or recovered by or on behalf of the Issuer or the Trustee in respect of the Secured Property for such Series (net as aforesaid) (the "**Available Amount**"). The Secured Creditors in respect of a particular Series shall look solely to the Available Amount for payments to be made by the Issuer, the obligation of the Issuer to make payments will be limited to the Available Amount (which shall be applied in accordance with the applicable Payments Priorities) and the Secured Creditors for such Series will have no further recourse to the Issuer in respect thereof. In the event that the amount due and payable by the Issuer to the Secured Creditors for such Series exceeds the Available Amount, the right of any person to claim payment of any amount exceeding the Available Amount shall be extinguished and none of the Secured Creditors may take any further action to recover such amounts.

6.2 **Non-Petition**

Each of the parties agrees that it will not institute against, or join any person in instituting against, the Issuer any bankruptcy, winding-up, examinership, re-organisation, arrangement, insolvency or liquidation proceedings (except for the appointment of a receiver and manager pursuant to the terms of the Trust Documents for the relevant Series) or other proceeding under any similar law for so long as any Certificates of a Series are outstanding or until one year plus one day has elapsed since the last day on which the last Certificates of any Series were outstanding, without prejudice to any enforcement or realisation of the Security, save lodging a claim in the

liquidation of the Issuer which is initiated by another party or taking proceedings to obtain a declaration or judgment as to the obligations of the Issuer. Each of the parties accepts and agrees that the only remedy of the Trustee against the Issuer after the occurrence of an Event of Default under Condition 11 (*Events of Default*) is to enforce the Security for the relevant Series of Certificates created by and pursuant to the provisions of the applicable Trust Documents. None of the parties shall have any recourse to any director, officer or employee of the Issuer or any of their respective Affiliates or any of their respective assets.

7. **EXECUTION**

The parties have executed this Deed as a deed and intend to deliver, and do deliver, this Deed on the date stated at the beginning of this Deed.
